Depth Capacity

365 m / 1,200 ft

Weight

20,500 kg / 45,000 lbs

RC drilling is cost-effective and has considerable advantages over diamond drilling. It can be performed dry or with very limited water use. Its cuttings are NI 43-101 and JORC compliant for mineral exploration reporting. Midnight Sun Drilling has provided safe and reliable drilling services across Canada's north, Alaska, the continental United States and beyond for more than fifty years. Please contact us for more information on how we can help you make your drill program a success.
