- Industry-proven workhorse perfect for tough site conditions
- Right combination of features to complete your program

Depth Capacity

400 m / 1,300 ft +

Weight

27,000 kg / 60,000 lbs

RC drilling is cost-effective and has considerable advantages over diamond drilling. It can be performed dry or with very limited water use. Its cuttings are NI 43-101 and JORC compliant for mineral exploration reporting.

Midnight Sun Drilling has provided safe and reliable drilling services across Canada's north, Alaska, the continental United States and beyond for more than fifty years. Please contact us for more information on how we can help you make your drill program a success.
